I'm taking part in the National Three Peaks Challenge to raise vital funds for Bamboozle Theatre Company. This epic challenge involves climbing Ben Nevis, (Scotland), Scafell Pike (England) and Snowdon (Wales) in 24 hours! I'd be grateful if you could sponsor my efforts by pledging whatever you are able to donate below. **Thank you.**

Bamboozle uses the power of theatre to transform the lives of children with learning disabilities, offering children the opportunity to interact meaningfully with the world. Bamboozle do this by taking high quality, interactive and immersive performances into theatres and SEN schools and by producing entertaining and captivating multi-sensory experiences for profoundly disabled children of all abilities and their families.

We who have given our names and addresses below and who have ticked the box entitled 'Gift Aid' want the charity to reclaim tax on the donation detailed below. We understand that we must pay income tax or capital gains tax equal to the 28% the charity will claim on the donation.
